November 8, 2020

Greetings,

On behalf of the Northumberland Soccer Club, I would ask your generous support of our Club by sponsoring/donating to a soccer team for the upcoming 2020 season. For the 2020 outdoor season we anticipate about 7 competitive teams and 12 development teams on our fields this year – approx. 350 members.

Sponsorship is very important to amateur sport as it allows young athletes to experience the benefit of teamwork, fitness and friendship with less financial concern. A sponsorship or gift donation of any amount is beneficial to the soccer program as it goes a long way to ensuring we can keep soccer affordable for all everyone.

By providing a competitive team sponsorship to the Northumberland Soccer Club, it would give you the satisfaction of helping local amateur sport and the Club feels your sponsorship shows great community support both in the local media and also on the soccer playing field. Sponsoring one of our development or competitive teams will get your company name and logo on a set of the team jerseys, we advertise your logo on Facebook as well as on our webpage and if you have a company webpage we make a direct link from our page to yours.

A team donation will enable the team to purchase any equipment needs, pay for coach training courses, or cover the cost of any tournament entry fees that may arise. The club will provide a thank you receipt at the end of the season.

If you have any questions please contact us at 905-377-9361 or email me at repsoccer@northumberlandsoccer.com

Sincerely,

Frances Martin
Club Administrator
