ACTION BULLETIN

Bulletin #: A2020-007
Date: March 24, 2020
To: Ontario Soccer; District Membership, ORA, Associate Members
CC: Ontario Soccer Board of Directors, Staff
From: Johnny Misley, Chief Executive Officer
Subject: COVID-19 Cancellation Notice Update

As a further follow up to the Ontario Soccer and Canada Soccer announcements of [March 12](#) and [March 13](#) regarding the suspension of all sanctioned soccer events and activities, Ontario Soccer today is announcing that **all scheduled events and activities for the month of April have been cancelled.**

Ontario Soccer, in consultation with Canada Soccer, have been monitoring the most recent developments with the Coronavirus (COVID-19) and the emerging public health crisis and are currently assessing operations and deciding cancellations on a month-to-month basis as the COVID-19 pandemic continues to unfold.

At this time, Ontario Soccer is also asking organizations at all levels of membership – District, Club and Ontario Registered Academies (ORA) – to actively communicate our official information updates to their soccer community members by posting on their website, sharing it via email and using social media. We have received a variety of direct inquiries from participants (and parents) requesting information. It is critical that all Soccer Clubs and ORAs keep their members informed during these challenging times.

As social or physical distancing is not a concern in an online, isolated environment, activities that can be completed online, such as [Match Official Accreditation Clinics](#), some [Coaching Courses](#), registering for future events and competitions such as [Ontario Cup](#), or the outdoor season registration and other activities that do not require public or private gathering, will continue until further notice.

If your membership has further questions, please refer them to the latest bulletin, Updates on COVID-19 Impacted Activities and [FAQ #2](#) and the [COVID-19 Updates](#) page, which has all the latest information from Ontario Soccer, as well as resources for your members to better inform themselves.

If you have any questions, please contact [Patty Forbes](#), Director of Administration.
