March 1st, 2021

Greetings,

On behalf of the Northumberland Soccer Club Inc., I would ask for your generous support of our club by becoming a corporate sponsor for the upcoming 2020 soccer season.

The Northumberland Soccer Club is the largest summer sports association in Northumberland County with 1300 children in our house league program and 325 children in our competitive program. We also have over 200 adults playing in both house league and on traveling competitive teams as well.

For the 2020 outdoor season we anticipate about 130 youth house league teams, 10 adult teams and 17 competitive teams on our fields this year – all of them in need of local businesses willing to donate sponsorship dollars to help alleviate costs.

By providing a team sponsorship to the Northumberland Soccer Club, it will enable the club to purchase any equipment needed such as soccer balls, pinnies, cones, nets, agility equipment, etc. as well as lower the registration cost to all players, which is our main goal. We truly feel that cost is a growing barrier for families on Northumberland to sign their children up for sports. That is why we are always striving to keep the fee to \$175 or lower every year and because of such amazing community sponsors we have been able to do so for several years.

Once a sponsorship is received the club will do everything it can to ensure that our community sponsor is recognized for their donation. For every \$350 in sponsorship the club will screen your company logo onto the front of the team jerseys in the age group you have chosen in our program (approx. size of the print is 8 x 8 inches).

A sponsorship plaque will be given to your organization with the team photo of every team you sponsored in 2020 on it as well as an engraving of thanks

If you have any questions please contact us at 905-377-9361 or info@northumberlandsoccer.com.

Sincerely,

Frances Martin
Club Administrator
