December 2, 2022

Greetings,

On behalf of the Northumberland Soccer Club Inc., I would ask for your generous support of our club by becoming a corporate sponsor for the upcoming 2023 soccer season.

The Northumberland Soccer Club is the largest summer sports association in Northumberland County with 1400 children in our house league program. We also have over 200 adults playing in our house league program.

For the 2023 outdoor season we anticipate about 135 youth house league teams and 10 adult teams on our fields this year – all of them in need of local businesses willing to donate sponsorship dollars to help alleviate costs.

By providing a team sponsorship to the Northumberland Soccer Club, it will enable the club to purchase any equipment needed such as soccer balls, pinnies, cones, nets, agility equipment, etc. as well as lower the registration cost to all players, which is our main goal. We truly feel that cost is a growing barrier for families on Northumberland to sign their children up for sports. That is why we are always striving to keep the fee to \$185 or lower every year and because of such amazing community sponsors we have been able to do so for several years.

Once a sponsorship is received the club will do everything it can to ensure that our community sponsor is recognized for their donation. For every \$375 in sponsorship the club will screen your company logo onto the front of the team jerseys in the age group you have chosen in our program (approx. size of the print is 8 x 8 inches) plus a thank you will be posted on our social media platforms with direct links to your company webpage as well as an meal of thanks to our 2500 strong membership.

A sponsorship plaque will be given to your organization with the team photo of every team you sponsored in 2023 on it as well as an engraving of thanks.

If you have any questions please contact us at 905-377-9361 or info@northumberlandsoccer.com.

Sincerely,

Frances Martin
Club Administrator

Northumberland Soccer Club 2023 Sponsorship Agreement

_____ (herein after called the Sponsor) agrees to sponsor a team registered with the Northumberland Soccer Club. For House League team sponsorship is \$375.00 in exchange for sponsors name and/or logo being printed on team jerseys.

Businesses can certainly sponsor more than one team. Please indicate what division(s) you prefer by placing a checkmark beside the age group. A lot of sponsors sponsor teams in multiple divisions.

House League:				
COB U8 ___	COB U9 ___	PH U9 ___	COB U11 ___	
PH U11 ___	U13 ___	U15 ___	U18 ___	Adult ___

Name to be printed on the jerseys: _____
