## **Eligible Teams**

The East and West Festival is open to Girls and Boys Teams from U8 to U13. Mixed teams can play in the Boys Festival.

The Festival is classified as Inter-District which means that teams from anywhere within the Province of Ontario are eligible to apply. The Festival qualifies as a Memorable Event, which means that LTPD travel restrictions can often be waived. All teams from outside the ECOSA district are required to submit a Travel Permit (ATF) approved by their District Association at least two weeks prior to the festival.

We welcome clubs to submit multiple teams in the same age division – we will ensure that the teams do not play against each other. Due to scheduling constraints, it is possible that the teams will be scheduled to play at the same time on different fields. Therefore it is essential to have a separate coach or team official available to manage each team.

A player can play for only one team in the festival.
